We will close at 5pm on Monday, July 3rd

We will be closed Tuesday, July 4th

It's scary-noise season. If your pet needs supplements or prescription medication to help them cope, please contact us *before* your pet is in distress.

Our online Pet Portal is available 24/7 from the comfort of your own home. You can access your pet's medical records, print vaccine & rabies certificates, and download copies of your invoices.

You can also request an appointment, request a prescription refill, or leave follow up notes & questions for your veterinarian. The Pet Portal login is available on our website. The direct link is:
