## **Treats for Dogs with Allergies**

Dogs with allergies need treats that don't aggravate their allergies. We are pleased to announce that Hill's Hypo Treats are in stock!

Hypo Treats are a tasty way to reward pets that have food sensitivities or related skin conditions. Hypo Treats contain omega-3 and omega-6 fatty acids, including EPA, to help to nourish the skin and they contain added antioxidants to help support the skin barrier function.

## **Chiropractic & Laser**

**Dr. Karen Hannah  
will be here Thursdays  
Sept. 7th & 28th.**

**Please call now to  
schedule your pet's  
appointment!**
